2. A Guide to Volume 1 of the Public Accounts

(1) Schedules of Revenue and Expenditure

(2) Schedules of Financial Transactions

(3) Schedules of Assets and Liabilities Balances

(4) Ministry Statements

A Government-wide tabular Summary of Appropriations and Actual Expenditure is provided as an introduction to this section on pages 4-2 to 4-7. A column headed "Other Accounts" contains the total by ministry of payments for "Loans and Investments". Loans administered by the Ontario Financing Authority on behalf of the Province are not included. Individual ministry reports of financial activity are provided on pages 4-9 to 4-347. The following six separate statements are presented for each ministry as applicable.

(a) "Statement of Expenditure by Program"

This Statement provides an overview of the expenditures of each ministry. It shows, by ministry program and in total for the ministry, the amount of the current year's actual expenditures which is compared with the related appropriation for the current year and the previous year's actual expenditures. Ministry totals for expenditures and Loans and Investments are also shown.

(b) "Statement of Expenditure by Program and Activity"

This statement, prepared for each ministry program, is designed to show the activities comprising the program. The appropriation for each activity is analyzed according to funds appropriated through the Expenditure Estimates or approved by Management Board and the total is compared to the actual amount spent for the fiscal year. Statutory payments (denoted as "S") are reported separately. The "program description" narrative contained in the Expenditure Estimates is included with the statement to provide the reader with a general description of the program.

(c) "Details of Expenditure by Activity and Standard Accounts Classification"

This statement reports the actual ministry expenditures for each program on the basis of the Standard Accounts Classification within each activity. Statutory Appropriations (denoted as "S") and Other Accounts are not Standard Accounts. Amounts required for Statutory Appropriations and Other Accounts are shown, where applicable, as separate entries under the Standard Accounts Classification details relating to each Activity.

The following is a brief outline of the types of expenditures included in each of the eight Standard Accounts comprising the Standard Accounts Classification:

Personal Income Tax is collected by the Federal Government on behalf of the Province. The amount received by the Province is net of \$1,020,283,263 and \$1,025,493,020 for 2000 and 1999 Ontario Tax Credits respectively. The amount received is also net of \$8,266,206 and \$14,663,332 in 2000 and 1999 administration fees charged by the Government of Canada.

Starting in 2000, Ontario Personal Income Tax is calculated on a "tax on income" basis. The Ontario Personal Income Tax rates for 2000 are: 6.37% for taxable income of less than \$30,004; 9.62% for taxable income between \$30,004 and \$60,009; and 11.16% for taxable income over \$60,009. Ontario non-refundable tax credits are provided for individual and family circumstances (e.g., basic amount, spouse, medical expenses), at the rate of 6.37% in 2000 (11.16% for charitable donations in excess of \$200), before calculating the provincial surtax or Ontario Tax Reduction. In 2001, the Ontario Personal Income Tax rates are: 6.16% for taxable income of less than \$30,814; 9.22% for taxable income between \$30,814 and \$61,629; and 11.16% for taxable income over \$61,629. Ontario non-refundable tax credit amounts are indexed in 2001 and tax credits provided at the rate of 6.16%. In 2002, the Ontario Personal Income Tax rates are: 6.05% for taxable income of less than \$31,893; 9.15% for taxable income between of \$31,893 and \$63,786; and 11.16% for taxable income over \$63,786. Ontario non-refundable tax credit amounts are indexed in 2002 and tax credits provided at the rate of 6.05%.

Higher-income earners are subject to a surtax. For 2000, the surtax is equal to 20% of Ontario income tax in excess of \$3,561, plus 36% of Ontario income tax in excess of \$4,468. For 2001, the surtax is equal to 20% of Ontario income tax in excess of \$3,560, plus 36% of Ontario income tax in excess of \$4,491. For 2002, the surtax is equal to 20% of Ontario income tax in excess of \$3,685, plus 36% of Ontario income tax in excess of \$4,648.

DETAILS OF REVENUE — Continued

Ontario income tax is eliminated if Ontario tax is below a threshold amount. If Ontario tax exceeds the taxpayer's threshold amount, the individual may be eligible to pay a reduced amount of Ontario tax. For 2000 and 2001, the basic threshold amount is \$156 and the additional amount for each dependent child and disabled dependant is \$317. For 2002, the basic threshold amount is \$161 to which is added \$328 for each dependent child and disabled dependant that the taxpayer is entitled to claim.

Ontario Retail Sales Tax is collected for the Province by registered vendors on the fair value, exclusive of any Federal Goods and Services Tax. The tax is levied on the purchaser of most tangible personal property and certain services at the general rate of 8% of the purchase price. For admission fees to a place of amusement that exceed \$4.00 and alcoholic beverages sold at licenced establishments the rate is 10%. Alcoholic beverages sold through retail outlets are taxed at 12%. On transient accommodation, the rate is 5%. Auto insurance premiums are taxed at 3% (2% effective April 1, 2002 and 1% effective April 1, 2003 until March 31, 2004). The tax is eliminated for premiums due on or after April 1, 2004. Other insurance premiums are generally taxed at 8%; however, individual life and health insurance premiums are exempt. Repairs and replacements made under warranty are taxed at 4% (2% effective April 1, 2002 and 1% effective April 1, 2003 until March 31, 2004). The tax is eliminated, for repairs and replacements made under warranty, as of April 1, 2004. There is also a Tax for Fuel Conservation levied under the *Retail Sales Tax Act*. A progressive tax schedule is applied to purchases of new passenger and sport utility vehicles based on their highway fuel consumption ratings. A \$100 tax credit is given to the purchaser of a new passenger car with a highway fuel consumption rating of less than 6.0 litres of gasoline or diesel fuel per 100 kilometres. Persons who produce their own beer and wine in a vendor's place are required to pay a tax of \$0.13 per litre. Persons who produce other tangible personal property for own consumption are required to pay 8% tax on the fair value. The *Retail Sales Tax Act* provides a range of exemptions and rebates.

Corporations Tax is comprised of three types of taxes levied on corporations: income, capital and insurance premiums taxes. Details of these taxes follow.

Income tax: Effective January 1, 2001, the general rate of corporate income tax was reduced from 14.5% to 14%, and on October 1, 2001, the rate was further reduced to 12.5%. Active business income from manufacturing and processing, mining, logging, fishing and farming is subject to a lower rate of tax (12% effective January 1, 2001 and 11% effective October 1, 2001). Small Canadian-controlled private corporations are also eligible for a reduced rate of tax. Effective January 1, 2001, this rate was reduced from 7% to 6.5% and was further reduced to 6% on October 1, 2001. The benefit of the small business rate phases out between \$240,000 (\$280,000 effective October 1, 2001) and \$600,000 (\$700,000 effective October 1, 2001) of taxable income. The Province also levies a corporate minimum tax ("CMT"), which effectively acts as a pre-payment of regular corporate income tax. CMT is levied at a rate of 4%. The Province offers a variety of refundable tax credits which act as incentives for particular activities. These refundable tax credits, which range in rate from 10% to 30% of qualifying expenditures, are the: (i) Ontario innovation, (ii) co-operative education, (iii) Ontario film and television, (iv) Ontario graduate transitions, (v) Ontario book publishing, (vi) Ontario computer animation and special effects, (vii) Ontario business-research institute, (viii) Ontario production services, (ix) Ontario interactive digital media, and (x) Ontario sound recording tax credit. The Province also offers incentive deductions in computing income for expenditures on pollution control equipment, new technology, new school buses, research and development, workplace childcare facilities, workplace accessibility for persons with a disability, and for new teaching equipment and learning technologies that are donated or provided at a special discounted price to Ontario's post-secondary institutions.

Insurance premiums tax: Insurance companies are subject to a 2% insurance premiums tax on accident, sickness and life insurance premiums, 3% on any other type of insurance premiums and an additional 1/2% on property insurance premiums. Other corporations are also subject to these same rates of insurance premiums tax on premiums paid to unlicensed insurers. All corporations are also subject to a 2% insurance premiums tax for payments made in respect of uninsured benefit arrangements.

Capital tax: Corporations are generally subject to capital tax at a rate of 0.3% on capital used in Ontario. Small corporations are eligible for reduced amounts of capital tax and effective October 1, 2001, are exempt from capital tax on the first \$5 million of taxable capital. Insurance corporations do not pay regular capital tax. However life insurers instead pay a special additional tax at a rate of 1.25% of capital in Ontario with a \$10 million exemption, with income

tax and CMT creditable against this tax. Capital tax generally applies to financial institutions at a two-tier rate: 0.6% on a financial institution's adjusted taxable paid-up capital up to \$400 million and 0.9% on any excess. Large financial institutions may reduce their capital tax where they make eligible investments in Ontario small businesses under the Small Business Investment Tax Credit.

The Employer Health Tax is paid by employers on their Ontario payroll. Employers with total Ontario remuneration of \$200,000 or less calculate tax payable at a rate of 0.98%; employers with total Ontario remuneration between \$200,000 and \$400,000 calculate tax payable at graduated rates between 0.98% and 1.95%; and employers with total Ontario remuneration in excess of \$400,000 calculate tax payable at 1.95%. Beginning in 1999, a tax exemption is provided for the first \$400,000 of total Ontario remuneration paid by private sector employers.

Gasoline Tax is levied on gasoline and propane used as a transportation fuel, and includes all fuels used to power aircraft. The tax rate for gasoline is 14.7 cents per litre. The tax rate for propane used in motor vehicles is 4.3 cents per litre. The tax rate for all fuels used in powering aircraft is 2.7 cents per litre. The tax is collected for the Province mainly by wholesalers of gasoline and propane (oil companies), but in some cases may be remitted directly by the users.

Tobacco Tax covers all forms of tobacco products. The specific tax per cigarette and per gram of fine cut tobacco and all other tobacco products except cigars was 4.45 cents in 2002. The rate increased to 4.45 cents on November 1, 2001 as a result of the increase in federal excise tax, which Ontario legislation parallels. The tax is collected for the Province mainly by the wholesalers of tobacco products, but in some cases may be remitted directly by the users.

Land Transfer Tax is collected on the transfer of land. One-half of 1% is levied on the value of consideration for the conveyance up to and including \$55,000; 1.0% on the value of consideration exceeding \$55,000 up to and including \$250,000; 1.5% on the value of consideration exceeding \$250,000; and, where the value of the consideration exceeds \$400,000 and the property contains one or two single family residences, an additional tax of one-half of 1% (in addition to the 1.5%) applies on the value of consideration exceeding \$400,000. First time home buyers who purchase newly constructed homes are eligible to receive a refund of land transfer tax of up to \$1,725 on homes purchased after May 7, 1996. The maximum refund was increased to \$2,000 for agreements of purchase and sale entered into after March 31, 1999. In 2000, the refund program was made permanent.

Fuel Tax is levied on diesel fuel used as a transportation fuel. The tax rate for diesel fuel is 14.3 cents per litre. Diesel fuel used to power railroad locomotives is taxed at 4.5 cents per litre. The tax is collected for the Province mainly by wholesalers of diesel fuel (oil companies) but in some cases may be remitted directly by the users.

The Federal government remits to the province 35 per cent of the net taxes that it collects with respect to preferred share dividends paid by corporations with operations in Ontario.

Every telephone and telegraph company doing business in Ontario is required to pay a Gross Receipts Tax (GRT) in lieu of property taxes on their "poles and wires". This tax is being phased out and will be eliminated in 2003. For 1999, the tax was levied at a rate of 4% on the taxable revenues of these companies. The tax rate fell to 3% in 2000 and to 2% in 2001. As part of the Local Services Realignment, the GRT was transferred from lower-tier municipalities to the province starting January 1, 1998. Payment is made in four installments. The 1999-2000 amount of \$283.4 million includes \$137.2 million of late payments from 1998-1999.

The Estate Administration Tax is payable by the estate of a deceased person on the issuance of a certificate of appointment of an estate trustee by an Ontario Court. The amount of tax is equal to 0.5% of the first \$50,000 of the value of the estate and 1.5% of the value of the estate exceeding \$50,000.

Ontario levies a mining tax on profits in excess of \$500,000 from the extraction of mineral substance. Effective January 1, 2001, the rate was reduced from 18% to 16%. Effective January 1, 2002, the rate was further reduced to 14%. Remote mines are eligible for a reduced tax rate of 5%.

DETAILS OF REVENUE — Continued

Provincial Land Tax is collected in areas without municipal organization on real properties at the rate of 1.5% of taxable assessment and from telephone and telegraph companies at 5% of gross receipts. Separate schedules of rates for gas pipelines and oil pipelines are used which correspond to the schedules for municipal taxation, as set out in the *Assessment Act*.

Race Tracks Tax, which is collected by the operators of race meets and remitted to the Province, was levied at the rate of 0.5% on all wagers.

The Acreage Tax is a tax levied on patented mining rights at a rate of 50 cents per acre per year with a minimum payment of \$1 in organized municipalities and \$4 in unorganized municipalities.

The *Succession Duty Act* was repealed in 1979. Duty collected relates to unsettled estates arising from deaths where interest is vested before 2001.

The *Athletics Control Act* states that every person conducting a professional boxing or wrestling contest or exhibition shall pay to the minister an amount not less than 1% and not more than 5% of the gross receipts in respect of such contests or exhibitions.

The Commercial Concentration Tax was introduced effective January 1, 1990, to help fund the transportation infrastructure improvements proposed under the Transportation Capital Program. The tax was payable by the owners of designated commercial properties at the rate of \$10.75 per square metre in the Greater Toronto Area, but was phased out in the 1993 budget for 1994 and subsequent years.

Canada Health and Social Transfer (CHST) is a block fund contribution by the federal government in respect of social programs under the *Federal-Provincial Fiscal Arrangements Act*. To receive the federal cash contribution, provinces must comply with the *Canada Health Act* and may not impose a residency requirement in determining eligibility for social assistance.

CHST base cash entitlements nationwide are equal to \$17.3 billion. The federal government allocates this amount among provinces and territories making use of a formula that takes into account provincial population and the value of personal and corporate income tax points transferred to provinces in 1977-1978.

DETAILS OF REVENUE — Continued

CHST Supplement Trusts were announced in the 1999 and 2000 federal Budgets. In 1999-2000, the federal government made a one-time payment for health care of \$3.5 billion. The payment was made into a trust account which was allocated among provinces and territories on an equal per capita basis. In 2000-2001, the federal government made a one-time payment of \$2.5 billion into a trust account, which also was allocated among provinces and territories on an equal per capita basis.

Social Housing reimbursements are the federal portion of the cost of subsidizing low-rental housing programs. Effective October 1, 1999 a new Canada-Ontario Social Housing Agreement replaced all other social housing agreements. The Province receives funding from the Canada Mortgage and Housing Corporation (CMHC) to administer social housing to Ontario.

Indian Welfare Services Agreement payments are contributions to assist the Province in providing welfare services and programs to persons living on Indian reserves. Under the agreement, the welfare services and programs that are provided on reserves are equal to those available to persons living in other communities.

Bilingualism Development reimbursements are the federal government's portion of the cost of providing services in both official languages and of providing adequate educational facilities for teaching the second official language. The federal government also contributes to Ontario's initiatives in French-language schools, such as the establishment of administrative structures in new French-language school boards, and initiatives designed to improve the achievements of French-language students.

Employability Assistance for People with Disabilities (EAPD) agreement replaced the Vocational Rehabilitation of Disabled Persons (VRDP) agreement on April 1, 1998. Under the current agreement, the federal government and Ontario share costs equally for the vocational rehabilitation of disabled persons and for offering alcohol and drug rehabilitation programs.

Ontario Ice Storm payments represent amounts due in prior years from the federal government under the *Disaster Financial Arrangements Act* (DFAA) for damages suffered from the February 1998 ice storm.

Employment Insurance Training is a contribution agreement, between Ontario and the federal government, under which the federal government reimburses the Province for training EI eligible clients. Funds are provided under the skills development employment benefit established by the Canada Employment Insurance Commission.

Legal Aid payments are the federal government's contribution to assist in providing minimum standards of legal aid in accordance with the Agreement Respecting Legal Aid in Criminal Law Matters and in Matters Related to the *Young Offenders Act*. The federal contribution is based on historical federal funding patterns and provincial population. The existing agreement ended at the conclusion of the 2000-01 fiscal year. A two year interim agreement has been signed.

Student Assistance includes Canada Study Grants and the administration of Canada Student Loans and Canada Millennium Scholarships. Canada Study Grants are provided to students with dependants, high-need part-time students, students with disabilities, and women in doctoral studies.

Young Offenders Act authorizes payments, from the federal government, to reimburse the Province for a share of the cost of providing specified juvenile justice services. A new agreement was signed in the 2001-02 fiscal year and will cover fiscal years 2000-01 to 2004-05.

Other payments from the federal government included:

- a) \$12,629,342 for administering the licensing component of the federal *Firearms Act* in Ontario. The Chief Firearms Office delivers the program and the federal government pays all of the costs incurred by the Province.

DETAILS OF REVENUE — Continued

- b) \$11,240,094 under the Immigration Holds Agreement. Ontario is reimbursed by the federal government for the cost of detaining people awaiting an immigration examination, inquiry or removal.
- c) Annual subsidies of \$7,015,325 under the *Constitution Act, 1907*; interest of \$142,414 on the Government of Canada Debt Account; and interest of \$79,860 on the Common School Fund.
- d) \$6,767,553 from the Ontario-Canada Softwood Lumber Contribution Agreement. The agreement expired at the end of the 2000-01 fiscal year but there have been delays distributing funds to the Province due to auditing requirements.

Income from Government Enterprises are those amounts of net operating profits, which have been received by the Province from government business enterprises.

The Ontario Lottery and Gaming Corporation conducts lottery games, and operates commercial casinos, charity casinos, and slot machines at fifteen of Ontario's racetracks on behalf of the Province of Ontario.

The net proceeds from the Ontario Lottery and Gaming Corporation from traditional lotteries, and from charity casinos and slot machine at racetracks were allocated to the following Ministries and programs: \$100 million in grants for charities to the Ontario Trillium Foundation, \$21 million to the Ministry of Health and Long-Term Care to support problem gambling and related programs for prevention, research and treatment, with the balance being applied to the Ministry of Health and Long-Term Care for the operation of hospitals.

Revenue is generated from two sources from Ontario's three commercial casinos managed by the Ontario Lottery and Gaming Corporation. The first is equivalent to 20% of gross operating receipts from the three casinos located in Windsor, Interim Niagara and Rama. The second is comprised of the net income earned of the Corporation from Casino Windsor and the Interim Niagara Casino. Net income earned from Casino Rama is directed to the First Nations Fund for distribution to First Nations across Ontario and is not included in the amount reported here.

Liquor Control Board of Ontario (LCBO) revenue is generated by profits from markups charged on spirits, wine and beer. Markups and levies vary by product and source (domestic or imported). Transfers to the Consolidated Revenue Fund represent net profits of the LCBO.

Hydro One Inc., formerly Ontario Hydro Services Company Incorporated, and Ontario Power Generation Incorporated are two wholly-owned government enterprises created as part of the restructuring of Ontario Hydro. This revenue represents dividends paid by the two companies.

Sales and Rentals are proceeds from the disposal of real property, supplies, equipment, services and goods produced in Provincial institutions including sales of real property to crown corporations, revenue from property rentals, leasing of Crown land, and asset refinancing.

Vehicle registration fees are for the authorization to operate a motor vehicle upon a public road. For commercial vehicles and buses the fee ranges from \$66 to \$2,097. Fees for passenger cars and light commercial vehicles weighing 3,000 kilograms or less used for personal purposes are \$74 per annum in Southern Ontario and \$37 in Northern Ontario. Fees for motorcycles and mopeds are \$42 and \$12 respectively in Southern Ontario and \$21 and \$12 respectively in Northern Ontario. Driver's licence renewal fees are \$10 per year, including a \$1.00 fee to the motor vehicle Accident Claim Fund. Driver examination fees are remittances for the written, visual, and road tests required to obtain a driver's licence. All driver and vehicle revenues are reported net of any commission earned by the private issuers.

Liquor Licensing fees collected by Alcohol and Gaming Commission of Ontario include manufacturers' fees comprised of a basic fee and a volume fee on beer shipped for sale in Ontario. Also included are fees from retail and manufacturing licences and fees on wine sold in stores operated by manufacturers of Ontario wine.

The Province, in accordance with Ontario Regulation 176/99 of the *Electricity Act, 1998*, collects an annual fee for guaranteeing The Ontario Electricity Financial Corporation's debt. The fee was set at 0.5% on outstanding debt.

The registrars fees consist of fees collected by the Ontario Court (General Division) in estates matters as set by O.Reg. 393/90 made under the *Administration of Justice Act* and the issuing, signing and filing fees for court related documents in civil matters.

Gaming-related fees collected by the Alcohol and Gaming Commission of Ontario include fees for registering commercial suppliers and gaming employees of charitable gaming events, casinos, charity casinos and slot machine facilities. Also included are fees for issuing licences to conduct and manage lottery schemes such as raffles.

DETAILS OF REVENUE — Concluded

Personal Property registration service fees are remittances for the registration and searches of personal property pledged as collateral to secure a loan. The fees are collected at the time of registration or search.

Companies service fees are remittances for registration, searches and certificates pertaining to incorporations, limited partnerships and business names. The fees are collected at the time of registration or search.

Land registration service fees are remittances for the registration and searches of records of ownership and encumbrances affecting real property. The fees are collected by the land registry offices at the time of registration.

Fees for the Drive Clean Program are chargeable to the public for vehicle emission testing, known as a "Drive Clean test". Also, an accreditation fee, which varies depending on the type of facility, as well as a fixed annual renewal fee, is chargeable to garages for certification as Drive Clean facilities.

The Ontario Securities Commission (OSC) is the regulatory body responsible for overseeing the securities industry in Ontario. The *Securities Act* specifies various regulatory requirements which must be followed by market participants. These requirements, such as registration (e.g., as a broker, etc.) and filings (e.g., prospectuses and disclosure) have fees associated with them.

In accordance with Ontario Regulation 300/98, as amended and section 25 of the *Financial Services Commission of Ontario Act* 1997 S.O. 1997 C.28, the Province recovers all expenses incurred by the Insurance Sector of the Financial Services Commission of Ontario. For 2001-2002, the Province collected \$4,234,605.

Waterpower charges are for the use of Crown land for hydro-electric power generation sites. In December 2000 new legislation was implemented for the collection of waterpower charges. The new system is to more closely reflect the value of the resource in Ontario's open electricity market and be more sensitive to year over year variations in water levels. The rental rate for private producers is 9.5 percent of gross revenue of the generating station.

Crown Stumpage Charges are remittances for the harvesting of Crown timber. Charges are based on tree species, end-products produced and harvest volume. A base charge per cubic metre, adjusted annually, is established as a minimum. The base charge for most harvested timber during 2001-2002 was \$3.40 per cubic metre. A residual value charge, based on a percentage of the difference between the cost of manufacturing and the selling price of the forest product, is also assessed. This component is adjusted monthly and varies from \$0.00 to \$20.00 per cubic metre depending on market conditions. In addition, a forest renewal charge is levied to provide dedicated funding for forest renewal.

Recovery of Prior Years' Expenditures are monies recovered subsequent to the fiscal year in which the related expenditures were made. Except for the timing of the recoveries, they would have been classified as expenditure refunds in the previous fiscal year.

As part of Local Services Realignment, responsibility for a number of programs was transferred to municipalities. As a transition measure, the Province will continue to deliver some of these programs on behalf of municipalities pending program transfer. The Province has been reimbursed for these expenditures from the municipalities for delivery of these programs on their behalf.

Fines and Penalties are remittances for infractions of laws, regulations and rules.

* Financial statements of these Corporations, Boards and Commissions are shown in Volume 2, Public Accounts of Ontario.

On April 1, 1999, under the *Energy Competition Act*, 1998, five corporations, together with their subsidiaries, were formed from the former Ontario Hydro: The Ontario Electricity Financial Corporation, Ontario Power Generation Inc., Hydro One Inc. (formerly Ontario Hydro Services Company), the Independent Electricity Market Operator and the Electrical Safety Authority.

The Ontario Electricity Financial Corporation (OEFC) was established as the legal continuation of the former Ontario Hydro. The OEFC is an agency of the Province of Ontario and is responsible for servicing and retiring the former Ontario Hydro's debt and managing certain other legacy liabilities. The Province, on behalf of OEFC has borrowed \$1,881,121,000 from the Canada Pension Plan and has issued bonds in the public markets of \$11,087,473,378 Canadian dollars. The proceeds of all such borrowings have been advanced to OEFC in exchange for bonds with like terms and conditions. In addition, the Province has advanced to OEFC an overnight loan in the amount of \$247,713,500 as of March 31, 2002.

The Ontario Power Generation Inc. (OPG) and Hydro One Inc. entered into a debt-for-equity swap with the Province of Ontario in order to have capital structures competitive with those of other industry participants. The Province assumed \$8,885 million of the debt issued by the two corporations to OEFC in exchange for \$5,126 million in equity from OPG and \$3,759 million in equity from Hydro One Inc.

On behalf of the Province, and various provincial Crown corporations and other public bodies, the Ontario Financing Authority (OFA) coordinates borrowing and financial risk management activities; offers short-term investment management services; advises on project financing; and provides centralized finance and cash-management services. The OFA operates the Province of Ontario Savings Office which offers deposit - taking services to the public. Acting as an intermediary for the Province, the OFA provides financing to various public bodies, the repayment of which is expected from third party revenues. The funds for these loans are borrowed from the Province.

In 1997/98, as part of the wind-down of the Ontario Aerospace Corporation, the Corporation transferred a \$49 million promissory note from Bombardier Inc. to the Province.

Ontario Northland Transportation Commission operates a railroad and maintains communication services to and within the northern regions of the Province including bus and marine services. The Province's total advance of \$35,207,935 is non-interest bearing. The Province provided subsidies of \$19,373,112 in fiscal year 2001-2002 (2000-2001 \$14,846,700). After subsidies, the Commission recorded a net profit of \$2,567,000 in calendar year 2001 (2000 net profit \$2,083,000).

Pursuant to Orders-in-Council and *Ontario Northland Transportation Commission Act, R.S.O. 1990*, the Ontario Northland Transportation Commission (ONTC) was authorized to borrow up to a total of \$25 million, under an operating line of credit, until March 31, 2003, subject to such terms as may be required by the Ontario Financing Authority. As of March 31, 2002, ONTC has borrowed \$20 million.

During the year an outstanding loan to Palladium Finance Corporation III was restructured via a distressed preference share issue resulting in proceeds flowing to the Province. This deposit was established as a special purpose fund to satisfy the obligation of the Province to repurchase the loan upon unwinding of the restructuring agreement.

The Province provided an interest bearing advance to the North Pickering Development Corporation of \$5,701,386 to cover operating expenditures. The total outstanding amount is now \$ 7,238,994 including the accrued interest of \$ 1,537,607. The advances, including interest, will be repaid from the proceeds realized on the eventual sale of land.

The Ontario Student Loan Trust was created in August 2001 to loan funds to students in attendance at approved educational institutions in the Province. Funds are borrowed from the Province and advanced to individual students on application to and approval by the Student Support Branch of the Ministry of Training, College and Universities.

On April 1, 1999, Independent Electricity Market Operator (IMO), was also established as one of the five corporations from the former Ontario Hydro under the *Energy Competition Act, 1998* to ensure fairness, reliability and safety in the new electricity market.

The Loan to Sheridan College was for the construction of a state-of-the-art facility called the Sheridan Centre for Animation and Emerging Technologies (SCAET) which opened in September 2000. Loan for transportation software began with the 2000-01 grant regulation program, when the ministry announced a \$7 million loan program for school boards to purchase or upgrade their student transportation management software. In the 2001-02 grant regulation, the deadline for repaying these loans was extended to 2003. In order to ensure that this initiative met expectations and best served the needs of boards throughout the province, the loans were only made available to boards that are using or plan to use ministry-qualified technology. Previously the Ministry of Education conducted a Request for Qualification (RFQ) process to determine the student transportation software products that would be eligible for purchase by Ontario school boards through a \$7 million loan program.

Municipal and school tax credit assistance loans represent reimbursements to municipalities for credits and refunds allowed in accordance with the provisions of the *Municipal and School Tax Credit Assistance Act*.

Ontario Mortgage Corporation assumed the mortgages on the initial dissolution of the Ontario Land Corporation on March 31, 1987.

POSO accepts deposits from the general public, government and other public bodies which form part of the Consolidated Revenue Fund and are direct liabilities of the Province. The Minister of Finance pays interest and makes repayment from the Consolidated Revenue Fund as required by the terms of these instruments. In the May 9, 2001, Budget, the Minister of Finance announced that the Government would be seeking a buyer for the Province of Ontario Savings Office (POSO). POSO's sale is overseen by the Ontario SuperBuild Corporation.

Compound interest payable on debentures represent interest on Ontario Savings Bonds and provincial debentures which is owing, but not payable within the next twelve month period.

The Market Revenue Program was introduced in 1991 to reduce the risk of lost income as a result of low market prices. Contributions are made to this account by the Government of Canada and the Government of Ontario. The fund also includes previous years' contributions from persons enrolled in this program. Interest is credited to this fund on a quarterly basis.

The Province maintains accounts within the Consolidated Revenue Fund for all contributions and interest earnings less payments regarding pension and related benefit funds for the Provincial Judges Pension Fund, the Deputy Ministers' Supplementary Benefit Account and other Supplementary Benefits Accounts. The amounts recorded by the Province are essentially the sole assets of these plans.

The Victim Justice Fund will ensure that funds generated through the federal and provincial surcharges are used for the purpose of providing assistance to victims and enable a separate tracking of these funds as well as permit any unspent funds to be carried into the next fiscal year.

Payroll deductions represent employee payroll deductions for the month of March which have not yet been remitted to the appropriate payees.

The Ontario Housing Corporation has placed on deposit with the Minister of Finance working capital which is surplus to its immediate needs.

In 1997/98 an outstanding loan to Palladium Finance Corporation III was restructured via a distressed preference share issue resulting in proceeds flowing to the Province. This deposit was established as a special purpose fund to satisfy the obligation of the Province to repurchase the loan upon unwinding of the restructuring agreement.

The outstanding cheques account represents those cheques issued by the Minister of Finance and the Ministry of Health which were not cashed by March 31, 2002.

The Personal Property Security Assurance Fund receives a portion of the fee paid to the registrar when a certificate is issued under the *Personal Property Assurance Act*. The Fund is maintained to compensate persons who may suffer loss or damage resulting from the provisions of incorrect information in a certificate. Interest is credited to the Fund on an annual basis.

A separate account in the Consolidated Revenue Fund is maintained for the Fish and Wildlife Program for dedicated revenue retention from the sale of licences as well as other sources of revenue. The funds are used to offset expenditures incurred by the program.

The Legislature recently passed amendments to the *Crown Timber Act* (the "Act") providing for the establishment of the Forest Renewal Trust Funds. The purposes of these funds are to provide for the sustainability of Crown forests and, in accordance with that objective, to manage Crown forests to meet social, economic and environmental needs of present and future generations. The payments of forest renewal charges are received by the Minister of Finance from a licensee who cuts timber on an area that is subject to an agreement under section 6 of the Act.

The Motor Vehicle Accident Claims Fund operates under the authority of the *Motor Vehicle Accident Claims Act*. The Fund derives its revenues from two sources: an annual fee charged upon every issuance/renewal of a driver's permit/licence and repayments from debtors (uninsured at-fault motorists). Payments out of the Fund have been subject to a variety of legislative changes over the years of its operation and are detailed in the Notes to the Fund's Financial Statement which is to be found in Volume 2.

The Mine Reclamation Fund is a special purpose account established in 1994, within the Consolidated Revenue Fund for the purpose of receiving and dealing with payments of money received as financial assurance dedicated for the closure costs of mine projects pursuant to Section 145 of the *Mining Act* R.S.O. 1990 c.M.14.

Unclaimed fully registered bond interest include interest on Ontario Savings Bonds matured, but not redeemed as of March 31, 2002.

Individuals and Corporations are required to place financial assurance with the Ministry of the Environment to finance environmental cleanups and site rehabilitations relating to Orders and Approvals of the Ministry. The cash portions of the financial assurance contributions are refundable and earn interest while on deposit with the Minister of Finance.

The *Provincial Parks Act* provides for the establishment of a separate account in the Consolidated Revenue Fund for the Ontario Parks Program for the dedicated revenue retention from the collection of Provincial Parks Fees as well as other sources of revenue. The funds are used to offset expenditures incurred by the program.

In the May 1997 Budget, the government made a commitment to create a \$5 million fund to provide scholarships for spouses and children of public safety officers killed in the line of duty. Because public safety officers are subjected to increased risks for the benefit of the rest of society, it is felt that the province has a degree of responsibility to provide for the well-being of the families of public-safety officers killed in the line of duty. The Public Safety Officers' Survivor Scholarship Fund was established by Order-in-Council and the affairs of the fund are managed by an advisory committee. The ministry makes payments from this account as required by the terms, and interest is credited to this account on a quarterly basis.

The International Registration Plan (IRP) is a U.S.-based plan that allows for the distribution of registration fees for commercial motor vehicles travelling inter-jurisdictionally through member states and provinces. The IRP provides blanket registration for trucks and buses as an alternative to individual reciprocity agreements, and distributes truck and bus registration fees among member jurisdictions based on the number of kilometres carriers travel in other jurisdictions. Vehicles have one licence plate and registration document which allows travel in all jurisdictions.

Unclaimed monies are remitted to the Minister of Finance from trust accounts maintained by individuals or corporations in accordance with provincial statutes, such as the Credit Unions and Caisses Populaires and the Collection Agencies Acts, for deposits/shares where such institutions are unable to locate the person entitled to such monies.

Effective April 1, 1998, the operations of the former Gaming Control Commission (GCC) and the former Liquor Licence Board of Ontario (LLBO) were merged and transferred to the new Alcohol and Gaming Commission of Ontario (AGCO). The GCC's general Fund, which was discontinued as of March 31, 1998, had also been used to hold due diligence deposits and investigation deposits as required under Section 9 of the *Gaming Control Act*, 1992. As there was an ongoing need by the new AGCO for an account in which to hold these deposits, the GCC's General Fund was renamed the "Deposits - Gaming Control Act". This account was then renamed again as "Gaming and Liquor Deposits" to reflect the inclusion of deposits received by the AGCO in order to defray the costs advertising required under the *Liquor Licence Act* in respect of application for Liquor Sales Licences. As of March 31, 2002, gaming deposits amounted to \$2,314,732.92 and liquor deposits amounted to \$888,758.35 for an account total of \$3,203,491.27.

Ontario has entered into a Memorandum of Understanding with the federal government indicating the Province's commitment to using proceeds of crime to fund law enforcement and crime prevention initiatives and administration of criminal justice costs associated with proceeds of crime cases. The ministries make payments from these accounts as required by the terms, and interest is credited to these accounts on a quarterly basis.

Contract security deposits are required to be deposited with the Minister of Finance for the purpose of bidding on contracts and ensuring due performance of an obligation to the Government of Ontario.

Operators of waste wells are required to pay a fee to the Ministry of the Environment, based on waste disposed in approved disposal wells under the *Environmental Protection Act*. These payments from individuals and corporations are non-refundable and are placed in an interest-bearing account with the Minister of Finance to compensate any person or organization for damage to water or water courses which are rendered unfit for use by reason of the operation of the waste well.

To honour the achievement of Dr. John Charles Polanyi, recipient of the 1986 Nobel Prize in Chemistry, an endowment fund of \$1,000,000 was established. Prizes are awarded annually from the income of the fund to selected students pursuing doctoral studies in Ontario Universities.

SUMMARY OF DEBT ISSUED—Continued

As at March 31, 2002

The Ontario Teachers' Pension Fund is administered by the Ontario Teachers' Pension Plan Board. The Public Service Pension Fund and the Ontario Public Service Employees' Union Pension Plan are administered by the Ontario Pension Board and the Ontario Public Service Employees' Union Pension Trust Fund respectively. The Ryerson Retirement Pension Plan is administered by Ryerson Polytechnic University.

The Canada Pension Plan Investment Fund made funds available to the Province from monthly Canada Pension Plan contributions in amounts approximately equal to collections from Ontario contributors. The Province issues non-marketable debentures to the Fund at interest rates based on the Government of Canada long-term Canadian public market borrowing cost.

Debt due to the Ontario Teachers' Pension Fund, the Public Service Pension Fund, the Ontario Public Service Employees' Union Pension Fund and the Ryerson Retirement Fund consists of non-marketable debentures of the Province.

The Ontario Housing Corporation (OHC) originally borrowed long-term funds from the Canada Pension Plan Investment Fund (CPP) to provide mortgages to non-profit groups under the Homes Now project. As non-profit groups refinance their OHC mortgages in the private sector mortgage market, OHC lends the available funds to the Province in exchange for Provincial debentures. This debt is eliminated upon consolidation of the Financial Statements of the Public Accounts of Ontario.

The Ontario Municipal Employees Retirement Fund and the Colleges of Applied Arts and Technology Pension Plan invested surplus funds in Province of Ontario non-marketable securities. The interest rate on these securities was based on rates for long-term Canadian public market debentures issued or guaranteed by the Province.

The Canada Mortgage and Housing Corporation has accepted serial debentures issued by the Province in return for financing a significant proportion of the construction cost of Provincially-owned waste control facilities. The interest rate is based on the rate for the Government of Canada long-term Canadian public borrowing cost at the time that the Corporation agreed to participate in the project.

Under the Treasury Bill financing program, non-interest bearing Treasury Bills, with various maturities up to three years, are sold by tender on a regular basis.

U.S. Commercial Paper issues are non-interest bearing with maturities up to 270 days.

Ontario Savings Bonds (OSBs) were first issued in March of 1995 and matured March 1, 2000. The interest rate on these bonds can be reset any time, subject to a minimum rate of 8% in year one and 7% in years two and three. The rate in effect commencing on September 1, 1999 until March 1, 2000 was 5.0%. The second issue of OSBs consisting of Variable Rate and Step-Up bonds were issued in June of 1996 and matured June 21, 2001. The interest rate on Variable Rate bonds is reset every six months. The interest rate on Step-Up bonds can be reset at any time, subject to a minimum rate of 4.5% in year one, 5.75% in year two, 6.25% in year three, 7.25% in year four and 9.0% in the final year. The third issue of OSBs consisting of Variable Rate, Step-Up, and Fixed Rate bonds was issued in June of 1997. The Variable Rate and Step-Up bonds mature on June 21, 2004, while the Fixed Rate bonds matured on June 21, 2000. The interest rate on Variable Rate bonds is reset every six months. The interest rate on Step-Up bonds can be reset at any time, subject to a minimum rate of 3% in year one, 5.25% in year two, 6% in year three, 6.5% in year four, 7% in year five, 7.5% in year six, and 8% in the final year. The interest rate on Fixed Rate bonds is 5.25% for each year until maturity. The fourth issue of OSBs consisting of Variable Rate, Step-Up, and Fixed Rate bonds was issued in June of 1998. On April 1, 1999, under the *Energy Competition Act*, five corporations, together with their subsidiaries, were formed from the former Ontario Hydro. Ontario Power Generation Inc. (OPG) and Hydro One Inc. (formerly Ontario Hydro Services Company) are two of these five corporations. In order for OPG and Hydro One Inc. to have capital structures competitive with those of other industry participants, the two companies entered into a debt-for-equity swap with the Province on Ontario. The Province assumed \$8,885 million of the debt issued by the two corporations in exchange for \$5,126 million in equity from OPG and \$3,759 million in equity from Hydro One Inc.

The Province, on behalf of Ontario Electricity Financial Corporation (OEFC), has borrowed \$1,881,121,000 from the Canada Pension Plan and has issued public market debentures of \$11,087,473,378 Canadian dollars. The proceeds of all such borrowings have been advanced to OEFC in exchange for bonds with like terms and conditions except for a \$500 million issue, maturing June 2, 2031, which has been on-lent to OEFC until June 2, 2010 after which the issue will be assumed by the Province until the maturity date. In addition, the Province has advanced to OEFC an overnight loan in the amount of \$247,713,500 as of March 31, 2002.

The Province of Ontario has issued public market debentures denominated in Canadian Dollars, United States Dollars, Japanese Yen, Pounds Sterling, Swiss Francs, New Zealand dollars, Norwegian Kroner, and Euro.

Program Description:

The program provides policy and program direction and financial support to elementary and secondary schools and agencies in Ontario in order to foster and sustain a high-quality education system for all students in this province, no matter where they live. The program aims to achieve three primary outcomes: excellence in student achievement; preparation of all students for success in further education, work, and community life; and improvement of Ontario's ability to compete in a global marketplace.

Key components of the program are: coordination of rigorous and demanding curriculum and instruction and challenging standards of achievement; provision of financial support to a streamlined and efficient education system with a focus on teaching and learning in the classroom; accountability for the funding of elementary and secondary education; and operation of provincial schools for the deaf, blind, deaf/blind and students with learning disabilities.

Program Description:

This program has two components, Budget and Taxation Policy, and Tax Revenue. The Budget and Taxation Policy area advises and assists the Minister of Finance and the Government in formulating Ontario Budget policy, including tax policy, tax design and legislation, federal-provincial finance policy and pension and income security policy; develops the Ontario Budget and other major economic/fiscal documents; manages the Province's taxation, intergovernmental finance and related policy development; co-ordinates research to identify broad economic taxation and fiscal implications of specific and emerging trends and developments.

The Tax Revenue area administers Ontario's tax statutes. The integrity of the province's self-assessment system is maintained by encouraging compliance through taxpayer information services and an independent objections review, while discouraging non-compliance and tax evasion through collection activities, audits, and investigations. The program also administers various tax credits and grant programs.

Program Description:

The role of Labour Relations is to promote a stable labour relations climate and harmonious workplace relationships in the Province.

The Ontario Labour Relations Board (OLRB) is an independent, quasi-judicial tribunal which mediates and adjudicates employment and labour relation-related matters under various Ontario statutes. In the labour relations area the Board is responsible for: certification of trade unions; review of unfair labour practice applications, illegal strikes and lock-outs; and termination of bargaining rights. The Board also generally ensures minimum workplace standards through the review of decisions of employment standards officers and occupational health and safety inspectors, as well as mediating and arbitrating other disputes with a view to promoting safe, fair and harmonious conditions in Ontario's workplaces.

The two statutory tribunals comprising the Public Service Appeal Boards are independent quasi-judicial tribunals that oversee the labour relations of Ontario Crown employees. They include the Crown Employees Grievance Settlement Board and the Public Service Grievance Board.

The Labour Management Services program provides neutral, third party assistance to trade unions and employers through collective agreement conciliation and mediation, appointment of arbitrators and collective bargaining information.

Program Description:

The Corporate Controllership Program supports Management Board of Cabinet by providing leadership to ministries to achieve the Government's agenda. It determines the most appropriate use of public resources through setting, monitoring and adjusting government's resources and by setting standards, policies and strategies to meet corporate objectives. The program also includes providing internal audit services to all ministries, contingency funding for employee severance costs and the costs of other corporate initiatives.

* In the Estimates, provisions were made for employee severance costs and for the cost of other corporate initiatives. It was not practicable, however, to distribute these estimates among the programs and activities of each ministry. Accordingly, the gross projected employee severance costs and other corporate initiatives costs appeared in the "Contingencies" provision.

In this regard, commitments totalling \$167,929,500 against the "Contingencies" activity were approved. This amount is gross of any underspending within each ministry activity. As the actual costs were incurred they were not charged against the "Contingencies" activity but rather against the votes and items to which they pertained. The "Contingencies" activity therefore shows no spending against the appropriation.

Program Description:

The Natural Resource Management Program strives to achieve a balance between natural resource use and protection, to ensure the recognition of a broad range of natural resource values, and to develop mechanisms for open decision-making and program delivery. The major program areas are: forest management, fish and wildlife management, Crown lands and water management and Ontario Parks (i.e. provincial parks and other protected areas). This mandate also includes the implementation of Ontario's Living Legacy and the management of non-renewable resources such as aggregates, natural gas, petroleum and brine (i.e. salt). The Ministry's infrastructure (i.e. capital) activities rest largely within this program area.

Program Description:

Transportation Policy and Planning (TP&P) focuses on policies and planning that promote economic competitiveness through a safe, efficient and reliable multi-modal transportation system. To achieve this, the division sets strategic policy directions for the ministry as part of integrated long-term planning and works to enable a supportive policy and regulatory environment.

TP&P engages stakeholders and other jurisdictions to plan, support and enhance an integrated transportation system that promotes efficiency, safety and economic competitiveness. It seeks opportunities to foster new partnerships with federal and municipal sectors to reinforce principles of local services realignment. To support our transportation policy and planning activities, the division monitors, interprets and communicates social, economic and demographic trends.

TP&P pursues innovative delivery options that promote private sector investment in transportation infrastructure. On an ongoing basis the division has managed the new relationship with 407 ETR. The division continues to identify opportunities to further partnerships to expand and enhance Ontario's multi-modal transportation system.

The key safety responsibilities of this core business are to: set safety standards, policies and regulations for road users, carriers and vehicles; to inspect, monitor and enforce compliance with those standards; to test and licence drivers and vehicles; to educate road users about safe driving behaviours and government road user safety policies/legislation.

An additional responsibility is to manage and improve customer service by setting standards and monitoring performance of private sector partners, promoting government products at self service kiosks, managing transition of service delivery to Integrated Service Delivery for Individuals and the private and not for profit sectors and managing information on every driver, vehicle and commercial carrier in Ontario.
